

RESEARCH COLLOQUIUM

DEPARTMENT OF DISABILITY AND HUMAN DEVELOPMENT

Institutional support for students with disabilities

New Initiatives to serve students with disabilities in Croatia

**Wednesday, April 15th
From 2:30 to 4 p.m
DHD Auditorium, DHSP
1640 W. Roosevelt Road.**

Tadija Bagarić, graduate student
at Faculty of Organization and Informatics in Varaždin, University of Zagreb, Croatia. Tadija will discuss about his experience as a volunteer at DIVERSE, an "Inter-Community learning" project. He will describe how he assisted athletes with disabilities that participated at Varaždin county inter-community learning experience.

Violeta Vidacek Hains Ph.D
Assistant Professor at the Faculty of Organization and Informatics Varaždin, University of Zagreb Croatia and Coordinator of the Centre for Students with Disabilities and Center for volunteering at the Faculty level. Dr. Vidacek's research explores the model of networking institutions that supports students with disabilities at different levels of education in Croatia.

**Center for Capacity building on Minorities -CCBMDR- at UIC
