

Mid Sweden University

Study at the

Department of Education

At Mid Sweden University, Campus Härnösand, we offer you a 15 or 30 credits study-package of courses or placement, free from tuition fees! We also guarantee good accommodation on arrival and excellent social activities in Härnösand.

Swedish, intensive course. A three-week intensive language course in August, for students who study a minimum of the autumn semester.

All students are offered **Swedish for Foreign Students, 7,5 credits**

International and Comparative Education, 7,5 credits. The course provides knowledge about theories, methods and practice related to international and comparative education. The language of instruction is English. Includes placement in school.

The Swedish school system, 7,5 credits. The course provides knowledge about the Swedish pre-school and school system from different perspectives, including the values, theories and methods that the system is based on. Language of instruction is English. Includes placement in school.

You can also make an individual **choose of courses from our regular course catalogue.** This choice can result in 7,5, 15 or 30 credits. The language of instruction are Swedish and English. You will also have a Swedish-speaking fellow student to help you.

If your university requires you to have a **placement** period during your stay in Sweden, **we offer you the placement of your choice in pre-, primary-secondary- or upper secondary school.** Placements in adult education or in the social services can also be arranged. **We offer you a placement period of 15 or 30 credits of placement.** Shorter placement periods are also available.

Accommodation and social activities

At arrival we guarantee you accommodation in student house or an own flat in Härnösand. We always try to arrange accommodation close to, both, other exchange students and Swedish students. The rooms/ flats are furnished and you will always have accommodation with you own bathroom. In the student house, kitchen, laundry room and living room is shared with other students. App. 300€/month. You have Internet access in the room. In cooperation with the student union we offer a wide range of activities, social, cultural and sport activities. During the period of January to April we have winter sports, like skiing and skating on the programme.

Härnösand is situated at the sea and close to the High Coast area, a world natural heritage area with wonderful nature. The Swedish mountains, known for their beauty is easy accessible with car.
