KEYNOTE SPEAKERS

This year, the conference programme brings together different critical perspectives in Digital Transformation from across different fields of research that will examine the challenges ahead and question the shape of things to come. Meet the inspiring keynote speakers that will help us emphasize our important celebration:

Prof. Wolf Rauch, [University of Graz](#)

Prof. Sirje Virkus, [Tallinn University](#)

Prof. Günter Müller (Emeritus), [University of Freiburg](#)

SPONSORS ARE INVITED TO APPLY FOR EVENTS

We invite all companies and private and state bodies, umbrella organizations and similar national and international organizations to contact us via ceciis.sponsor@foi.hr to propose desired events they want to perform within CECIIS 2019!

Conference tracks

Computer Games
Data and Knowledge Bases
Education and Learning Analytics
Emerging Trends in ICT
ICT Entrepreneurship and Innovation
Intelligent Information Systems
Quality of Software and Services
Software Engineering
Strategic Planning and Decision Making

Other events

Contact us as soon as possible if you want to meet our international researchers in the field of IT, as well as graduate and postgraduate students and other professionals in the field.

CECIIS is open to help you in designing events according to your needs and your main target audience.
